FOREWORD

Photography is one of the new media forms that changes perception and changes the structure of society. Photography is a life but captured in frames, through different angles, shapes, colors to depict creativity to the world of lenses. I am happy that more and more camera-artists are coming forward to produce good images which have become valuable assets of **FOTOKRAFT CIRCUIT** in which 'Digital' alteration was strictly prohibited. This aspect was kept in mind by the Judges while selecting Photographs for various awards and acceptances.

We expect lots of new digital Images, be it Monochrome Pictorial, Monochrome Theme, Color Pictorial, Color Theme, Nature, Wildlife, Photojournalism or Photo Travel in coming year. We expect larger and keen participation in **SAM CIRCUIT 2018 and JCM CIRCUIT 2018** for all the 8 Sections (Monochrome, Color, Nature, Wildlife, Photojournalism & Photo Travel including Theme section in Mono & Color) with six judgings .

We look *forward* to seeing you in both the **Circuits** (**SAM CIRCUIT & JCM CIRCUIT 2018**) and welcome any comments or suggestions.

To make the circuit a success I sincerely thank the following : -

Brian Magor (PSA) & Andreas L Andreou (ISF) & Tony Le Kim (ICS) for personal help and guidance, ICICI Bank Mayur Vihar, Delhi our banker, Post Master & staff of Patparganj Post Office, Delhi-110091 for taking care of entries, printing press for catalogue, organizing Clubs, Judges and last but not least our most valuable entrants without whom Fotokraft Circuit was not at all possible.

We have received good response from your end. Thank you All !

KANCHAN RAIKWAR

Add now to your salons the prestige of best image quality !

IMAGE SANS FRONTIERE is an international organization that promotes images in all its forms to privilege exchanges and meetings.

There are no geographic, artistic, technologic, frontiers.

Since its creation in 1994 **IMAGE SANS FRONTIERE** brings together the best World Photo Artists and builds bridges of love and friendship.

We are proposing a label of **IMAGE SANS FRONTIERE** to all the organizers of national or international competitions of proven quality. This label allows giving out medals and diplomas to the best authors or to the best images.

A label that makes the difference you diserve!!!

We insure then the publicity of the labeled contests through our bulletin reserved for our members and on our web site: **www.image-sans-frontiere.com** by creating a link with you.

An exhibition with label allows the participating photographers to ask for Distinctions **IMAGE SANS FRONTIERE**, with supplementary points by acceptance or by subsidized image, accessible from 50 acceptances. Points of acceptances in salons with labels ISF are doubled.
