FOREWORD

A camera is million times better than a gun to shoot, which helps in preserving the wonders of mother earth. With photography a new language has been created. We can look at an impression as long as we wish, we can delve into it and, so to speak, renew past experiences at will. I am happy that more and more camera users are becoming interested in all branches of photography and producing good images as we see in the present WPAI CIRCUIT. However, it will not be out of context to mention that in this branch of photography 'Digital & Print' alteration is strictly prohibited, thus while selecting images judges have kept this fact in mind.

Would like to thanks all participants to make "WPAI CIRCUIT" 2019 a success.

We are upcoming with SAM CIRCUIT 2020 (Digital) – Eight Sections with Six Different Judging (Open Color, Color - Theme (City Life), Open Mono, Mono - Theme (City Life) Nature, Wildlife, Photojournalism and Photo Travel sections). Looking forward to see more new ideas in photographic images in more upcoming exhibitions.

To make the circuit a success I also sincerely thank the following: -

Suman Bhattacharyya (PSA) & Romain Nero (FIAP) & Andreas L Andreou (ISF) & Manolis Metzakis (GPU) & Barun Sinha (FIP) for personal help and guidance, YES Bank Mayur Vihar, Delhi our banker, Post Master & staff of Patparganj Post Office, Delhi-110091 for taking care of entries, Dharam Reprographics - Nehru Place for printing documents for WPAI CIRCUIT exhibitions, Organizing Clubs, Judges and last but not least our most valuable entrants without whom circuits are not at all possible.

KANCHAN RAIKWAR

Add now to your salons the prestige of best image quality !

IMAGE SANS FRONTIERE is an international organization that promotes images in all its forms to privilege exchanges and meetings.

There are no geographic, artistic, technologic, frontiers.

Since its creation in 1994 **IMAGE SANS FRONTIERE** brings together the best World Photo Artists and builds bridges of love and friendship.

We are proposing a label of **IMAGE SANS FRONTIERE** to all the organizers of national or international competitions of proven quality. This label allows giving out medals and diplomas to the best authors or to the best images.

A label that makes the difference you diserve!!!

We insure then the publicity of the labeled contests through our bulletin reserved for our members and on our web site: **www.image-sans-frontiere.com** by creating a link with you.

An exhibition with label allows the participating photographers to ask for Distinctions **IMAGE SANS FRONTIERE**, with supplementary points by acceptance or by subsidized image, accessible from 50 acceptances. Points of acceptances in salons with labels ISF are doubled.
