FOREWORD

Nature and Wild Life Photography was introduced in India in 1950. Being one of the most difficult and challenging branch of photography, Photographers all over the world devote enormous time with passion to produce & capture good Wild Life and nature photographs. With a view to promote Nature and Wild Life Photography, 'Wild Life Photographic Association of India, New Delhi was founded' in the year 2000. All members of IIPC and PSA (USA) were invited to participate in the first SAM International Nature, Wildlife Salon 2002. Out of 727 prints & slides, panel of Judges consisting of Capt. Santosh Kumar (AIIPC), N.A.Bharti (ASIIPC), and O.P.Sharma (Hon FIIPC, Hon. FRPS, Hon PSA, FPSA), awarded 20 Medals and 28 Certificates of Merit to outstanding entries.

This Exhibition of Nature & Wild Life Prints was organized at New Delhi. Selected prints, many of which were of par excel quality and content, contributed by amateur and professional wild life photographers from 19 countries were displayed in this Exhibition.

This International Exhibition was dedicated to Dr. Salim Ali, the best-known name in the world of Wild Life in India.

We are thankful to B.K.Dilwali Photo Gallery, New Delhi which facilitated us to organize the Exhibition.

The Wild Life Photographic Association of India express sincere thanks and gratitude to all the photographers who had sent Photographs and Slides for the salon. We are also grateful to IIPC as well as to PSA (USA), and specifically to Hon'ble Shri O.P.Sharma whose inspiration, guidance and supervision made the above events tremendously successful. I personally look forward to all my seniors for their ever-lasting patronage in future also.

Chitrangad Kumar, AIIPC
