FOREWORD

The Nature and Wild Life Photography has always been most difficult and challenging art to capture the creatures in their natural environment. To capture photographs of birds depicting their fascinating colours, feeding their young ones, their stylish flying from light to darkness, taking off & descending, exhibits capabilities devotion & passions of photographers who capture the shots of birds in few seconds. Shooting wildlife in action, killing, caressing, suckling, combating at right time in natural locations without disturbing their habitat is most challenging art of photography.

To promote Nature and Wild Life Photography and to create awareness amongst mankind to preserve natural environment, 'Wild Life Photographic Association of India, New Delhi' invited Photographer and Members of IIPC and PSA to participate in *SAM International Nature and Wildlife Salon 2004*. The Hon'ble Judges- *R.K.PAUL AIIPC, N.A.Bharti ASIIPC, and O.P.Sharma Hon FIIPC, Hon. FRPS, Hon PSA, FPSA.* screened 937 prints & slides and awarded 25 'Medals' & 28 'Certificates of Merit' (including 4 PSA Medals & 1 Alfred Jendroszek (Germany) Medal, to the best & outstanding Entries.

We express sincere thanks & gratitude to all the photographers who participated in the Salon as also to IIPC as well as to PSA (USA), and specifically to Shri O.P.Sharma whose supervision, inspiration & guidance has always been a guarantee to excellence & tremendous success for any event.
